## The President's Comments

### President's Comments

I understand that not all members know what will happen at the July Meeting. Basically, it will be a very short meeting with a better and longer afternoon tea. Elsewhere in this Bulletin is a clarification – I hope that this helps.

Overall, the Winter Show was excellent. Robyn will make specific comments about the Show but I thought it was good, very good. Thanks to everyone.

Just about everyone who grows orchids will eventually settle on their own, individual ways of growing their plants. This usually begins with the person researching topics and listening to other experienced growers. I was interested at the last meeting that two experienced growers had very different viewpoints on watering plants in Winter - one waters in the dark hours of the morning and the other says that you should only water plants when the day is warm enough for the grower to be comfortable. Some say that you can divide Cattleyas after July 1 without problem, while more say only repot when the plants are making new growths and throwing roots.

Differing views will be found about potting media, fertilisers, fungicides and the list goes on. You will end up experimenting and changing things trying to make your plant grow better. The first rule

is do the least damage to your plant as possible. I have learnt that the hard-way. I have learnt that lesson several times over.

The majority of my plants are Cattleyas and I repot everything that needs it every year. I start in one corner of the greenhouse and work my way fully around the greenhouse. I make decisions on what needs be repotted; what needs to be put in a larger pot; what plants will be divided, and how much of that plant I will keep. With most of the “also-rans”, I keep only one plant while those that are not good enough to be “also-rans” go directly to the rubbish bin. I move plants within the greenhouse to where I want them. I am trying to hold out until August before I start repotting - but I don't think I will make it. This happens every year.

Good Growing

Greg Kelly

A word from the Editor:

I grow many Cattleya species (note: not hybrids), which I find are very sensitive to repotting at the wrong time, and I never repot them unless they are showing new root growth. If repotted at the incorrect time, most of them and especially the bifoliate Cattleya species (those with two leaves per pseudobulb) can ‘sulk’ for several years before restarting normal growth, and may even wither and die.

Noel Grant.

### **TOS Winter Show Report**

Hello everyone,

Well, another Orchid Show has come and gone - and what a great show it was!

We have broken another record as the sale of plants increased again - and attendance through the door was phenomenal. On opening the Hall doors on Friday morning, I was very surprised to see the long line of people waiting to come in, as they were lined up out into the carpark!

And the crowd flowed in all weekend, so I would say our advertising efforts through social media & the Townsville Bulletin have paid off. (Thank you, Leonie Johnson, for all your hard work).

I must thank & congratulate all of you who bought your beautiful flowers into the Show, as the quality and the number of flowering plants that were on display was really quite spectacular. Congratulations to those who won Grand Champion and the Section Champions, well done (I will have to have a stern talk to my orchids).

I would also like to thank all of the volunteers who worked tirelessly all weekend to keep everything running smoothly. A special thank you goes to our newer members (in the Novice group) who put their hands up to be on the roster, it was nice to see you and your help was very much appreciated.

It is hard to believe that in only 7 weeks we will be holding our Spring Show – from Friday the 6<sup>th</sup> to Sunday the 8<sup>th</sup> of September, so let's try to break more records then!

Happy Growing!

Robyn Dundas  
Show Chairman

# Fertiliser Concentrations.

*by Jeff Knowles*

Further to my brief talk at the June meeting regarding the Growing Competition plants, where the question was raised as to how concentrated the fertiliser was that I used. I said that, at the moment (winter), I am fertilising at a rate of 100 ppm N (100 parts per million Nitrogen). Just to clarify that, the fertilisers I use are those sold at the members' shop and they all contain more nutrients than just Nitrogen.

## How to calculate the concentration of nitrogen in the fertiliser solution.

The concentration of nitrogen in 1 litre of fertiliser solution you have mixed up and are about to pour over your orchids can be calculated from the following:

**Concentration of N in ppm = N % listed on the label x mass of solid fertiliser in grams x 10**

Consider the fertiliser 'Peters Professional Winter Grow Special' whose label lists the ingredients as :

N : P : K = 20 : 4.4 : 16.6 +Trace Elements (Fe, Mn, Cu, Zn, Mo). If you add 1g to 1L of water, then,

$$\begin{aligned}\text{Concentration of N in ppm} &= \text{N \% listed on label} \times \text{mass of solid fertiliser in grams} \times 10 \\ &= 20 \times 1 \times 10 \\ &= 200 \text{ ppm N}\end{aligned}$$

If I only wanted half this concentration, i.e. 100 ppm N, then I would only add half (0.5g) to each litre of water. In my case, I would add 50g (100 x 0.5g) into 100L of water.

$$\begin{aligned}\text{Concentration of N in ppm} &= \text{N \% listed on label} \times \text{mass of solid fertiliser in grams} \times 10 \\ &= 20 \times 0.5 \times 10 \\ &= 100 \text{ ppm N in your 1L of liquid fertiliser.}\end{aligned}$$

If your brain is now throbbing as a result of reading this, then just follow the following 5 easy steps to fertilising your orchids.

Step 1: Fertilise regularly – once per week or twice per week or at every watering.

Step 2: Rotate your fertilisers – feed your orchids with a variety of food.

Step 3: Mix two level teaspoons of fertiliser powder in a 10L watering can – your orchids can withstand a variety of nitrogen concentrations.

Step 4: Pour this over your orchids to thoroughly wet them.

Step 5: Put a green tick on your wall calendar and have a cup of tea.

But remember, if you miss a scheduled fertilising day, do not double up the amount of fertiliser powder you add to your water next time.

By fertilising your orchids, you will have bigger orchid plants with more and bigger flowers.

## HAPPY BIRTHDAY TOS!

At the June meeting, I should have wished the Townsville Orchid Society a happy 72<sup>nd</sup> birthday, (The inaugural meeting was held on 20<sup>th</sup> June, 1947.)

Enjoy.

---

## **‘Taiwan International Orchid Show’ and ‘World Orchid Conference’ March 2020.**

***Jeff Knowles***

One of the highlights on the orchid calendar for 2020 will be two spectacular orchid shows in Taiwan in March. If you want to be amazed with eye catching displays, then you could do no better than to attend. Plan your visit to Taiwan around these dates. (which I have confirmed, or I have assumed are true)

Wednesday 4 <sup>th</sup> March	Judges check-in at TIOS2020, Tainan
Thursday 5 <sup>th</sup> March	Judging at Taiwan International Orchid Show, Tainan
Friday 6 <sup>th</sup> March	TIOS preview day TIOS Opening Ceremony TIOS Welcome Party
Saturday 7 <sup>th</sup> March	Head to Taichung for the World Orchid Conference
Sunday 8 <sup>th</sup> March	Judging at the WOC, Taichung WOC welcome party
Monday 9 <sup>th</sup> March	WOC Opening Ceremony WOC Conference begins (Monday 9 <sup>th</sup> to Thursday 12 <sup>th</sup> ) WOC Show opens (Monday 9 <sup>th</sup> to Sunday 15 <sup>th</sup> March)
Thursday 12 <sup>th</sup> March	WOC Conference closing ceremony WOC Dinner

Note: The TIOS show is open to the public from Saturday 7<sup>th</sup> to Monday 16<sup>th</sup> March.  
The WO23 show is open to the public from Monday 9<sup>th</sup> to Sunday 15<sup>th</sup> March.  
Please confirm ALL dates before booking.  
There are a couple of trips you could join. Ask Secretary Maureen for details.

The President of Taiwan, Ms Tsai Ing-Wen and TIOS2019 Judging Chairman Mr Jiaho Huang admire the Grand Champion of 2019 at the Taiwan International Orchid Show (TIOS), **Rhynchostylis Chorchalood ‘Lai’**. The plant has nearly 1,000 flowers on 18 inflorescences.

The Taiwan Government has given strong support for the World Orchid Conference and Show at Taichung, Taiwan in March 2020. Early WOC registration has been extended until August, 2019.

<https://www.woc23.com/>

## **JULY MEETING ACTIVITIES.**

We have been told that there is some confusion as to what is happening at the July Meeting. I hope this clarifies any issues:

- The meeting is on the usual date (Sunday 28<sup>th</sup> July) and at the usual time (from 1pm).
- Bring your flowering orchids for display and judging. They will be judged, but for this meeting there will be no commentary and there will be no question and answer session.
- The General Meeting will be kept as brief as possible, but there are a few things that will need to be discussed.
- A short lecture will start as soon as possible after the Meeting.
- Please bring donations for the afternoon tea and for the continuous raffle as usual.
- There will be a continuous raffle as well as the usual lucky door prizes.
- A long afternoon tea, supplemented by additional items supplied by Townsville Orchid Society, will commence at about 2pm, or before if possible.
- The intent of the extended afternoon tea is to provide more time for members to socialise. Maybe this is when you seek answers from experienced growers about your problem plants or you quiz them on their growing techniques! Or you plan your trip to Taiwan in March with your friends!
- After the extended afternoon tea, the lucky door prizes and raffle will be drawn and the popular votes and registrar's choices will be advised.

## **Minutes of Management Committee Meeting held Friday 21<sup>st</sup> June, 2019**

Meeting opened: 7:30 pm by President Greg Kelly

**Present:** Greg Kelly, Maureen Draper, John Draper, Terry Ruxton, Peter Lucke, June Cairns, Robyn Dundas, Rob Rasmussen, Ruth Whiting, Charles Lee, Noel Grant and Lyn Ryan.

**Apologies** Leonie Johnson

**Visitors** Nil

### **Minutes**

Motion: That the minutes of the previous meeting be accepted as a true and correct record

M: J. Draper

S: R. Dundas

Carried

Business arising:

- Greg Kelly spoke to Ted Boon about the recording sheets. They have been amended to make it easier for the scribes to identify what sub-division plants are placed in. Forms have been printed for the rest of the year.
- Greg Kelly advised Trevor Jochheim that the Management Committee had decided to elevate him to the Open Section from Novice, effective immediately.
- Greg Kelly forwarded an email to Campbell's Coaches re driver.

## **Correspondence**

- Letter of Resignation from John Johnson

Motion: That the correspondence be accepted

M: Lyn Ryan

S: R. Dundas

Carried

Business arising: Nil

**New Member Applications:** Nil

## **Treasurer's Report**

TOS available funds are healthy. Details are available at monthly meetings.

Motion: That the treasurer's report be accepted and accounts passed for payment

M: T Ruxton

S: C Lee

Carried

## **Show**

- The Winter Show Rosters is nearly filled.
- Lyn Ryan has all the advertising under control. Bulletin has been booked. Will source some quotes for "Pull Up Signs"
- We need more Show Signs – Robyn Dundas will seek quotes.

## **Hospitality:**

- Ruth Whiting won't be at the General Meeting on Sunday. Robyn Dundas will have the T-shirts orders list.

## **General Business:**

- **July Meeting**
  - Not enough interest in organising an afternoon tea for a separate date.
  - It was suggested by Greg Kelly that the General Meeting be a very short meeting, no plant commentary and the club contribute towards the afternoon tea. Members will still be asked to bring along a plate. All agreed.
- **Use of Club Laptops**
  - TOS currently has 2 Laptops, one for the Secretary and one for the Treasurer
  - Greg moved that a third laptop be purchased and also the necessary software. Maureen Draper will investigate and report back.
- **TQOC Orchid Fair**
  - Greg Kelly would like to thank all those who helped with the moving of the tables.

Meeting Closed: 9:00 pm

---

Greg Kelly - President

---

Maureen Draper - Secretary

## **Minutes of General Meeting held on Sunday 23<sup>rd</sup> June, 2019**

Meeting opened: 1:03 pm President Greg Kelly in the chair

**Present** as per attendance book.

**Apologies** as per attendance book.

**Visitors** as per attendance book

### **Minutes**

Business arising:

- Bowen Bus Trip – a number of members indicated privately that they had no problems with the bus trip except for the lack of room for plants as trailer did not work properly
- Others indicated that they would pay more if a bigger bus was used
- Greg Kelly spoke with and sent an email to the bus company regarding the driver on the day.

Motion: That the minutes of the previous meeting be accepted as a true and correct record

Moved: Wal Carlill

Seconded: John Draper

Carried

### **New Correspondence:**

- Letter of Resignation received from John Johnson

### **Treasurer's Report**

TOS available funds are healthy. Details are available at monthly meetings.

Motion: That the treasurer's report be accepted

Moved: T Ruxton

Seconded: John Johnson

Carried

### **Show Report**

- Show and Kitchen rosters almost full
- Need food donations (cakes, sandwiches, sausage rolls, etc for the kitchen)
- Please remember to stabilise your plants and that they have a green label attached.

### **General Business**

- 2 x vacancies on the Management Committee. Greg Kelly called for volunteers. Ted Boon volunteered.

Motion: That Ted Boon be accepted as a Management Committee Member.

Moved: Greg Kelly

Seconded: T Ruxton

Carried

- July Meeting
  - There has been very little interest in holding a separate afternoon gathering.
  - The July Meeting will be short, including a Lecture. This will allow us to have a longer afternoon tea and the raffle as usual.
- Bunnings Ladies Night was held recently. John Johnson, Warren Sewell, Peter Lucke and June Cairns were in attendance. Bunnings have donated a \$100 voucher to Townsville Orchid Society. This voucher will be used for something later in the year.
- Trevor Jochheim has been elevated to the Open Section, effective immediately.
- Upcoming Events in Townsville you might be interested in:
  - Garden Club Field Day – 17-18<sup>th</sup> August 2019
  - Bonsai Display – 27<sup>th</sup> November 2019 at the TOS Hall from 9 am to 4 pm

Meeting Closed: 3:30pm
